Where Sin Abounds Grace more Abounds"

Through Adam came death; Through Moses came the law or legal system; Through Jesus came grace and truth. We need grace and truth to free us from death and law. How much grace do we need? Sufficient. 2 Cor 12:9 "My grace is sufficient for you ..."

I believe that the smallest jot of God's grace is more powerful than all the sinfulness of humanity today. Let's ponder on **Romans 5:20** in a few translations:

- **NKJV**.....where sin abounded, grace abounded much more,
- **NIV**where sin increased, grace increased all the more,
- **GW**Where sin increased, God's kindness increased even more.
- **NLT**as people sinned more and more, God's wonderful grace became more abundant.
- **TPT**Wherever sin increased, there was more than enough of God's grace to triumph all the more!
- **MSG**sin didn't, and doesn't, have a chance in competition with the aggressive forgiveness we call *grace*. When it's sin versus grace, grace wins hands down. All sin can do is threaten us with death, and that's the end of it. Grace, because God is putting everything together again through the Messiah, invites us into life—a life that goes on and on and on, world without end.

To the God of sufficient grace, be glory and dominion, for ever and ever. Amen. Hallelujah! The Lord God Omnipotent reigns! Amen and Amen.
